MISSION

Provide a high quality educational experience to students in a diverse learning environment - promoting the values and institutions of democracy that prepare students to lead lives of personal integrity and civic responsibility in a global society. Prepare the next generation of skilled and ethical leaders by providing excellent practical and professional education that prepares students to compete in a diverse world market;

Promote campus environment that welcomes and honors women and men of all races, creeds and culture and an atmosphere that values intellectual curiosity, pursuit of knowledge, and academic freedom and integrity.

Offer wide variety of Off-campus educational and training programs. Partner with communities to provide educational, technical and cultural support to increase the livability of those communities. Partner with industry and government to improve the quality of workplace and to serve as an engine for economic and cultural development.

VISION

We shall provide our students an environment that stimulates in developing a unique blend of academia, practical knowledge, outstanding leadership qualities and good human values and thus will be most sought after by recruiters.

CHAIRPERSON'S MESSAGE

Our promise to the nation is PSV College of Engineering and Technology will make the students independent, dignified and honorable citizens by imparting quality technical education and character building.We pledge to direct our efforts and resources to transform students to qualified engineers who would in turn contribute to build the nation as said by our former President Dr. A.P.J. Abdul Kalam"...There is no profession in the world that is more important to the society than that of a teacher..."

Thiru. Selvamani.S
Chairperson

VICE CHAIRPERSON'S MESSAGE

PSV of Engineering and Technology being one of the best college of Pondicherry, is known for imparting higher education in various areas of Engineering Discipline. The Institution is known for its enviable achievements not only in higher education but also in games and sports. We are helping the students to develop their knowledge, skills and attitude to use them for the growth and prosperity of the society.

Our education empowers the society to grow in real sense by overcoming poverty, ignorance and lack of esteem. Barring all barriers, education should be spread to every stream of society and individual. PSV College of Engineering and Technology is keen in sustaining this vision with all its capacities. We have been taking every possible measure to bring the youth under one roof that can provide them modern education to counter challengers ahead. We believe in the development of students in such a way that ensures admirable future for them.

Thiru. Er. Viknesh - M.E
**Vice Chairperson**

DIRECTOR / PRINCIPAL MESSAGE

I am elated to welcome the young aspirants to this prestigious Institution, a centre of academic excellence. PSV College of Engineering and Technology is one of the fastest growing colleges in the field of professional education. Since its inception, PSVCET has witnessed unprecedented expansion by successfully adding more and more new courses which provide excellent career opportunities to the students. The college has an acclaimed, highly qualified and devoted faculty to quench the thirst of innovative minds. We are also very much conservative to retain the traditional values of discipline, respect and sincerity in all their endeavors. Besides Technical Education, the Institute takes equal care to refine the personality of the students, so as to equip them with modern and sensitive outlook to face the challenges of the volatile and competitive world. It's my pleasure to invite you to this campus and I am sure that your academic exploration in this College will be a pleasant and enlightening experience.

Dr. A. Ravichandran, M.E.,Ph.D.,
Director
